

**East Riding Club Accreditation Scheme (ERCAS)
Accredited Sports Clubs in the East Riding of Yorkshire – May 21**

This list has been collated by the East Riding of Yorkshire Health and Wellbeing Team to help put you in touch with a range of accredited voluntary sports clubs across the East Riding of Yorkshire.

Clubs are listed in sport order and show details of the appropriate club member to contact if you are interested in finding out more about that particular club.

Please note that only accredited clubs that are registered are shown on this list and should be used by schools and leisure centres when (making private bookings, providing coaching sessions to young people and handing out publicity material). If a voluntary club holds either Clubmark or an NGB accreditation, they are still required to achieve ERCAS, however this process is extremely simple.

For all queries relating to the ERCAS process or if schools or leisure centres would like a group not on the list to begin working towards registration please email tracey.topliss@eastriding.gov.uk.

Please note due to the Covid pandemic some clubs are currently not operating or are just starting up again and their ERCAS status is pending due to them being in the process of renewal.
